TOURIST ATTRACTIONS:

DUNHUANG

- **Yangguan** - Is an ancient land transportation hub in China, and Yangguan is a must pass on the southern route of the Silk Road. It was a strategic location that ancient military strategists had to contend for.
- **Mogao Grottoes** - Mogao Grottoes are not only a pearl on the ancient Silk Road, but also a treasure trove of Chinese grotto art, commonly known as the Thousand Buddha Caves. They are the greatest cave sculptures in ancient China. Stone chiseling was done over 1600 years ago during the Former Qin Dynasty, and after a thousand years, 492 caves are still preserved today; Among them, the collection of murals and colored sculptures is the most complete and largest in the world today, and it is the most abundant ancient gallery in terms of content.
- **Mingshan Mountain and Crescent Moon Spring** - Amazing natural artistic beauty. Echoing-Sand Mountain, stepping on soft and fine sand, climbs to the top of the mountain dozens of meters high, and truly experiences the origin of the name Echoing-Sand, which is amazing. Then visit the wonder of Crescent Lake in the desert, which is surrounded by Echoing-Sand Mountain and named after its shape resembling a bay of crescent moon. Despite being surrounded by vast yellow sand and enduring strong winds for years, the water remains clear as a mirror, making it a rare and unique spring in the desert.

GOLMUD

- **Kunlun Mountain Gate Monument** - The design inspiration comes from the ancient ministers holding the wooden tablet with both hands when meeting the emperor. The white top represents the snow capped mountains, symbolizing the worship of the "ancestor of ten thousand mountains"- Kunlun Mountain, and it also expresses the best wishes for the majestic Kunlun Mountain in the future.

CHAKA

- **Chaka Salt Lake Sky No.1** - Is A themed around salt culture Park. There is a wetland viewing area built within the scenic area, which adheres to the principle of ecological protection and lays wooden boardwalks. Tourists can enjoy the scenery of the salt lake wetland through the boardwalks.

XINING

- **Qinghai Lake** - Qinghai Lake is surrounded by mountains. Looking around, it is like four natural barriers that tightly embrace Qinghai Lake. From the foot of the mountain to the lakeside, there is a vast, flat, and boundless grassland. The misty and blue waves of Qinghai Lake are like a huge jade plate embedded between the mountains and grasslands, forming a magnificent and beautiful scenery with mountains, lakes, and grasslands.
