- **Barrack Arch** - the Barracks Arch is one of Perth's historic landmark buildings. The area around it was land marked for a freeway.

FREMANTLE

- **Fremantle** - the bustling, dynamic port city of Fremantle has long been renowned for its eclectic mix of arty and alternative types. Most of the buildings here are built during the 19th century, and retains a large Victorian-style building.
- **Fremantle War Memorial** - the memorial itself comprises a large obelisk. The site, located on High Street near the centre of Fremantle, overlooks Fremantle Harbour, and was established by the Fremantle Town Council in 1928 to commemorate the losses of the First World War.
- **Roundhouse** - the Roundhouse is the oldest public building in the State of Western Australia. It was built to hold any person convicted of a crime in the settlement and was used until 1886.
- **Fisherman Boat Harbour** - take a stroll around the harbour and you'll see all sorts of maritime activities going on including local fishermen hauling in catches. The harbour has an interesting history - starting life in the early 1900s as a single jetty and fish market. With the staging of the America's Cup yacht race defence off Fremantle in 1987 the harbour underwent a massive facelift.
- **Weekend Market (Open Fri-Sun)** - the Fremantle Markets are housed in the Victorian-era building, offering up to 150 stalls of beautiful products of all kinds including handicrafts, specialty foods, and a beautiful fruit and vegetable market.
